

BioMarin Announces Pricing of Public Offering of Common Stock

NOVATO, Calif., May 31, 2012 (GLOBE NEWSWIRE) -- BioMarin Pharmaceutical Inc. (Nasdaq:BMRN) today announced the pricing of an underwritten public offering of 6,500,000 shares of its common stock. The gross proceeds to BioMarin from this offering are expected to be approximately \$248,885,000, before deducting underwriting discounts and commissions and other estimated offering expenses payable by BioMarin. The offering is expected to close on or about June 5, 2012, subject to customary closing conditions. BioMarin has also granted to the underwriters a 30-day option to purchase from it up to an additional 650,000 shares of its common stock. BioMarin intends to use the net proceeds from this offering primarily for general corporate purposes, including working capital and research and development.

BofA Merrill Lynch and Barclays are acting as joint book running managers for the offering, and will offer the shares at prevailing market prices or otherwise from time to time through the Nasdaq Global Select Market, the over-the-counter market, negotiated transactions or otherwise.

A registration statement relating to the shares described above was previously filed with and has become effective by rule of the Securities and Exchange Commission (the "SEC"). A final prospectus supplement relating to the offering will be filed with the SEC and will be available on the SEC's website at <http://www.sec.gov>. Copies of the final prospectus supplement and related prospectus, when available, may be obtained from BofA Merrill Lynch, 4 World Financial Center, New York, NY 10080, Attn: Prospectus Department, or email dg.prospectus_requests@baml.com, or Barclays, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York 11717 (telephone number 888-603-5847), or email Barclaysprospectus@broadridge.com.
